

# Kanturk Community Astroturf Ltd.

13 September 2021

Dear Parents/guardians

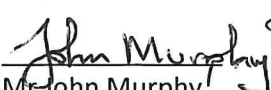

We write to you as members of Kanturk Community AstroTurf Committee. We are sure that you are at this stage familiar with the fantastic news that we have secured Planning permission in High Greenane, Kanturk for the development of an AstroTurf pitch with floodlighting, a tarmac walkway surrounding it and car parking for up to 75 cars. This will be of enormous benefit to the whole community and all the schools in the town. The official start of the development took place with the sod turning ceremony on Friday 10th September and we are hoping to complete the project before 2023. This will be a fantastic asset to all the students in the community as all students will have access to the facility during the day. This project has the support of all the schools and sporting groups- Kanturk Rugby, Kanturk Soccer and Kanturk GAA.

The cost of the development is almost €1 million. The group have been working very hard over the last few months to secure funding from various sources and we have been successful in securing some funding.

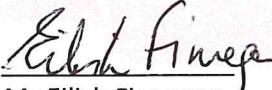

We will also need to do significant fundraising to bring the project to fruition, to this end we launched a draw for a new Car (Toyota CR 4 Hybrid) value €33,000. Tickets are €20 each or 3 for €50. You may have seen the signs locally promoting it.

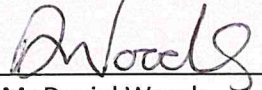

We the school leaders are asking all families to support this project by buying a ticket by going online to [www.Kanturkastroturf.ie](http://www.Kanturkastroturf.ie) or to buy a physical ticket that can be purchased at the school offices or supporting businesses. Tickets purchased before the 24th of September are in with the chance to win the early bird prize of €1000 in cash. If you have already purchased a ticket thank you for the support.

Yours Sincerely

  
Mr John Murphy  
Principal  
Colaiste Treasa

  
Mr Denis Keating  
Principal  
Scoil Mhuire

  
Ms Eilish Finnegan  
Principal  
St Colmans Boys NS

  
Mr Daniel Woods  
Principal  
Convent of Mercy NS
